***REVIVAL IN LAKELAND FLORIDA...Bob Jones said: "The Angel Named
'Winds of Change' is bringing the change NOW"***

Dear Friends,

As I write this, just two hours ago at 2pm, the Glory fell on me; I've been weeping and praying about what is happening here in Florida. I honestly have never felt such a manifest presence. People are saying they feel the glory 10 miles away from the meetings, it's that tangible.

And based on how absolutely electric the meetings are going, one can only imagine what will happen tonight and in the meetings to follow. Along with many other leaders, we pray that this is the next wave that we have all been waiting for.

I just spoke with Bob Jones again, and he told me several things. First, he was not expecting that the glory would fall this soon.

Second, **Bob said the angel named "Winds of Change," is bringing the change NOW**, and that this outpouring would break out internationally. He said this outpouring, the very tangible healing anointing, is for the world and would go everywhere. (God told me that every night in the meetings I was to impart it to ministries, **and as I write this, several hundred pastors, evangelists and ministries have already come.**)

Third, **Bob said, and I agree, we have never seen such notable miracles.** (Distinctively, scars and burn marks have been removed from bodies, and there are testimonies coming in of cancers, tumors, deaf ears, diabetes, lupus, autism, and a vast array of other sicknesses and diseases, all being healed. I'm talking **hundreds of healings so far!** There are dramatic salvations, and **heavenly visitations especially coming to the children.**)

Fourth, **Bob said that our interns would become "doctors," quickly, and take this to the world, and that our associates are needed to spread the fire.**

(Since many associates are in the meetings here, right now, if you would like to book any of these associates to bring the fire and revival to your city, church, or ministry, call the Fresh Fire office: 604-853-9041 or go to our website www.freshfire.ca and check out our associates under [Associate Ministries](#).)

Please read the following letter and comments from Denny Cline, one of our real friends and fathers, who pastors the Vineyard Christian Fellowship of Albany, in Oregon. (Note by Steve Shultz: Denny Cline is my personal pastor and a spiritual father and advisor to Todd.)

Also, another report follows below given to me today by John Arnott, who is currently in Hawaii right now with Che Ahn, Bill Johnson, and Heidi Baker.

Before closing, **I want to invite all those who are really hungry and praying for revival, to come get some!** You can also watch what God is doing in Lakeland on [GOD.TV](#) or live on our website nightly at 7pm EST at www.freshfire.ca. We are here through April 27th and are willing to stay longer. I also welcome any comments you might have about what you believe is happening.

In Revival,

Along with reports, **please also read first a Prophetic Word given to Todd over three weeks ago while he was ministering in Australia by a pastor from New Zealand --Pastor Rob DeLuca.** The word given describes an outbreak of Revival in four places with Lakeland, Florida being one of them. The pastor who gave this word had no idea that Todd was going to be holding meetings in Florida!

Rob DeLuca:

"Prophetic Words Spoken Over Todd Bentley--BEFORE Lakeland Revival Breaks Out"

Intro to prophetic word from Pastor Stephen Strader, Ignited Church in Lakeland, Florida:

Steve,

Todd Bentley asked me to send you this prophecy. It was given over Todd in Australia three weeks BEFORE he came

to Florida. The prophet (Rob DeLuca) did NOT know Todd was coming to Florida.

The Florida Healing Outpouring started on April 2nd and is planned right now through April 27th. It started as a five day conference. We are now going seven days a week.

Prophetic Word Spoken over Todd Bentley and the Nations by Rob DeLuca **Prophesied on March 8, 2008**

This is exactly word for word what was spoken over Todd Bentley (from Fresh Fire Ministries) at the "Downpour Conference" on the Gold Coast in Australia, on March 8, 2008, by Pastor Rob DeLuca from New Zealand (this is a picture of Rob DeLuca prophesying the actual word over Todd Bentley):

Todd, I saw a vision, and it's concerning **four revivals** that are going to take to place in the world.

I saw a human boomerang flying out of **Canada** and it hit the nation of **England**, it hit the nation of **Australia**, it hit the nation of **New Zealand**, and it came spinning around.

I saw "Todd Bentley"--your name on the boomerang, but I knew that it was the Lord showing me that it was you, and I saw it fly back around and it came and hit **America**.

But, there was a bit more accuracy to it. It hit the state of **Florida**. The Lord is showing me that what took place in **Pensacola**, and also what took place in Lakeland with Rodney --you're gonna bring something very strong to Florida.

I see something **BIG in Florida**. Then I saw the Lord turning you into a human nail, you know, like a spike nail. I saw the hand of God, I saw the Father hit this hammer and it hit you and it went straight into the ground of Florida.

I saw a scroll attached to this nail and it said, "**The Kingdom of God has now come.**" I really believe that **what has taken place in the last 20 years in Florida, will be rekindled and rebirthed from your coming and going to Florida**. A matter of fact, I will be even more bold to say that I believe that there is going to be a massive work where it's so fruitful, that there will be seasons of time in **Florida from Canada**.

I saw it hit **England, Australia, New Zealand**, but I saw it going back and forth, back and forth, back and forth. But I really believe that it's not just going to touch thousands, but tens of thousands, even **hundreds of thousands**. It's going to be something that's going to be heard around the world.

*And Father, we thank You for it. I thank You for the revivals that are coming to **the nations** that have been spoken and seen.*

*I thank You Father for **England**. Lord, let the impartation of revival come with the new wave, with the greater glory to England.*

*I thank You for **Australia**. I thank You even for the impartation over these days, but Lord, let this be the beginning. Let this be the embryo stage of something that turns into a great giant of a revival in the nation of Australia.*

*I thank You for **New Zealand**. I thank You Father that people will come from all over the world and taste and see the impartation of the effects of revival that has been tasted even in the last week.*

*I thank You Father that it is for **our generation** and for the generation that's coming. Lord, let history be made even in the now, we pray.*

And I thank You for the anointing that's on this man of God. I thank You Father that we honor the gift of God and we value the gift of God and in doing so Father, we declare blessing concerning the increase of his ministry, concerning the promotion of even being one that's sent to take entire nations to influence entire nations.

Father, let America be influenced from what's about to take place concerning the seasons that You're preparing for Todd in Florida.

In Jesus name, what's happened...I really believe what happened--it's even going to hit CNN, it's going to hit news broadcasts, it's going to be talked about all over America. There's something brewing so big and so strong that it's going to waste the nation with God's glory, definitely, in Jesus name.
